

Outputs of the GovernEE Project

Monday, 09 April 2012 23:35 - Last Updated Monday, 04 February 2013 09:21

Responsible PP	Output No.	Connected Pilot activity	Output Name
LP	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
		revised	
PP3	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
PP4	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
		revised	
PP5	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
		revised	
PP6	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
(A European overview)			
PP6	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
(An overview of the Friuli Venezia Giulia Region)			
PP7	3.1.1		Cross-sectoral evaluation and assessment of existing energy projects and strategies on public heating related to EU funded projects
		revised	
(not final yet)			
LP	3.1.2		Potential estimation regarding energy efficiency in heating buildings and examining users' habits.
		revised	
PP3	3.1.2		Potential estimation regarding energy efficiency in heating buildings and examining users' habits.
		revised	
PP4	3.1.2		Potential estimation regarding energy efficiency in heating buildings and examining users' habits.
		revised	
PP5	3.1.2		Potential estimation regarding energy efficiency in heating buildings and examining users' habits.
		revised	
PP6	3.1.2		Potential estimation regarding energy efficiency in heating buildings and examining users' habits.
		revised	
PP7	3.1.2		Potential estimation regarding energy efficiency in heating buildings and examining users' habits.
		revised	
PP6	3.1.3		International survey on innovative

alternative energy sources in district heating

PP7	3.2.1	Guidelines for incorporation of energy awareness	draft version
LP	3.2.2	<u>Pilot 3 Guidelines for Energy Efficiency Commitment (implemented by UK government) obliging large energy providers to save energy with their users</u>	draft version
LP	3.2.3	<u>Pilot 3 Comprehensive strategy to shape public attitude to Energy Efficiency and saving (feedint Energy days and linked to Action 4.4)</u>	draft version
PP5	3.3.1	<u>Joint legal, financial and administrative (public procurement guidelines)</u>	
PP6	3.3.2		
(originally 3.3.3)		<u>Benchmarks for energy efficiency feasibility studies related to energy efficiency and the use of renewable energy for effective tendering related to public heating</u>	
3.3.4		<u>Guidelines for Energy Efficiency Action Plans</u>	final
3.3.4		<u>Building database</u>	
3.3.5		<u>Monitoring System & Financial Evaluation Framework</u>	final
3.3.5		<u>Database final</u>	final
3.3.5		<u>Anex 4.5</u>	
3.3.6		<u>A long-term programme of research on energy efficiency and innovation</u>	draft (initial research August)
3.3.7		<u>Monitoring system and financial evaluation framework to assess and evaluate energy efficiency and innovation in public heating (including Annex)</u>	
		<u>Work Plan (pdf)</u>	
		<u>Database (xls)</u>	final
PP5	3.3.8		
(originally 3.3.10)		<u>Integrated transnational and cross-sectoral toolkit with action plans on Energy Efficiency in public and historic buildings, focusing on heating.</u>	
3.3.8		<u>Guide for energy saving and improving EE in historic buildings (while observing)</u>	draft
LP	3.4.1	<u>Preliminary Study on the structure and operation of the knowledge network and competence center, collection of best practices</u>	
LP	3.4.3	<u>Knowledge Sharing Strategy, providing basis for the operation of Knowledge Network, for the identification and involvement of relevant stakeholders, and for the dissemination of project results</u>	

PP3 4.1.1 [Pilot 1](#)

[Collection of best practices related to measuring and monitoring EE.](#) - PART 1

[Review Energy Controlling Software](#)

PP6 4.1.2 [Pilot 2a & b](#) [Survey on existing EU models for improving energy efficiency in historic buildings](#)

LP 4.1.3 [Preparation of action plans and timelines for pilot implementations \(4.2 ICT tool pilot\)](#)

PP2 4.1.4 [Pilot 2b](#) [Preparation of action plan and timelines for pilot implementation \(4.3 EE in heating historic buildings\)](#)

included in 4.1.8.

PP5 4.1.4 [Pilot 2a](#) [Preparation of action plan and timelines for pilot implementation \(4.3 EE in heating historic buildings\)](#)

included in 4.1.9

PP2 4.1.5 [Pilot 3](#) [Preparation of action plan and timelines for pilot implementation \(4.4 Improving decision makers' competence\)](#)

PP6 4.1.6 [Pilot 1](#) [Benchmark analysis of shortcomings of existing ICT monitoring tools available on the market \(based on collection of best practices\).](#)

PP2 4.1.8 [Pilot 2b](#) [Pre-feasibility study of local potentials regarding improving energy efficiency in historic buildings, based on findings of EU survey](#)

final (available on 1 August)

PP5 4.1.9 [Pilot 2a](#) [Pre-feasibility study of local potentials \(developed by P5 Bologna\) regarding improving energy efficiency in historic buildings, based on findings of EU survey](#)

PP7 4.4.2 [Collection of good practices on how to strengthen public responsibility of decision-makers in the issue of energy efficiency](#)

draft version

LP

[Pilot 1](#) [ICT system to support energy efficiency measures](#)

- [Hódmezővásárhely \(LP\)](#)

- [Burgenlandkreis \(PP3\)](#)

- Prague 11 (PP4)

implementation in progress

PP5

[Pilot 2a](#) [Efficient use of renewable energy sources in heating historic buildings – testing new insulation materials in Bologna](#)

implementation in progress

PP2

[Pilot 2b](#) [Efficient use of renewable energy sources in heating historic buildings – testing almost invisible photovoltaic panels](#)

implementation in progress

PP3

[Pilot 3](#) [Improving local decision-makers' competence](#)

implementation in progress

PP3

[Pilot 3](#) [Training documents for Decision Makers, Facility Managers & Staff](#)
